

MINISTRY MATRIX

Dear friend,

You are blessed to be a blessing, walking in the fullness of health and joy, in Jesus' Name!

Our international ministry, now celebrating its 13th year, continues to grow, touching tens of thousands every year both here in the US and internationally. Ruthanne and I are training leaders **like Melody Bolduc** as leaders who can touch the nations in their generation.

We are going to Brazil, South America in May to hold a **large leadership conference and revival meeting**. Brazil is a revival nation, the number one missionary-sending nation in the world! Ministry Matrix has been ministering there for over 13 years, and the impact of leaders like Melody has been immeasurable! I encourage you to visit our website - www.ministrymatrix.com - to see the scope and power of FreedomMinistry, Don Lynch Ministries, and our other leadership initiatives in the nations.

I need Melody with me on this trip. She needs your help to make this trip. Pray for her - pray a release of God's mighty power upon her life, and pray for the finances she must raise to make this trip. Praying in the finances is part of the training for her.

Send a tax deductible gift today. We have invited Melody, even assigned this trip as part of her leadership and ministry development. It is essential to what God is doing in our ministry and her destiny!

Sincerely,

Dr Don Lynch
